*Handwritten signature*

**Handwriting:** The handwriting is cursive and somewhat slanted to the right. It appears to be written by a person who is not a native English speaker or has some difficulty with letter formation. The letters are often connected, and there are many loops and flourishes.

~~Handwritten scribbles~~

There is something in the way it is written that suggests something is underneath it, something that is not quite what it seems to be.

*I was interested in mathematics because I found the subject very interesting  
because it was something different from what we were used to at school.  
We were taught numbers and it was a new way of thinking about things.  
Mathematics was not just a subject, it was a way of life. It was a challenge  
and it was fun.*
